

Kareem Salia Abiodun

09030218963 | saliaabiodun24@gmail.com | Jalingo

Professional Summary

Hybrid Web Developer and Designer with a BSc in Computer Science and a proven track record of building responsive, high-performing websites using HTML, CSS, and JavaScript. Actively integrates Claude Code and other AI coding tools into daily workflow to accelerate development without sacrificing design quality or code integrity.

Professional Experience

GAOTek Inc.

Digital Marketing Specialist. Intern

JUN 2026 – PRESENT

- I am a dedicated Digital Marketer specializing in email marketing, with a focus on creating targeted and engaging campaigns. I leverage data-driven insights to personalize content, segment audiences, and optimize performance. My goal is to build meaningful customer relationships and deliver measurable results that support business growth through effective email communication.

Jobberman Nigeria

Soft Skill

APR 2025- APR 2025

- Jobberman Soft Skills Training.
- Propel is a platform that helps you find tech jobs, access finance, and enjoy benefits through your community.

GRADENET ICT

Jalingo

Web Development Intern

SEP 2024 - MAR 2025

- Collaborated on team problem-solving sessions, improving project delivery efficiency by 25%.
- Transitioned static Figma designs into responsive web pages using HTML, CSS, and basic JavaScript.
- Trained in Frontend, Data Analysis, UI/UX, and Graphic Design, achieving proficiency in two new frameworks/tools.
- Explored and implemented streamlined AI-assisted debugging processes, reducing bug resolution time by an estimated 20%.
- Key Achievement: Successfully delivered two client-ready website prototypes within internship timeline.

GDG (Google Developer Groups)

Jalingo

Technical Trainer & Mentor

JAN 2024 - JAN 2024

- Mentored 15+ new hires/junior developers, resulting in a 30% increase in team productivity and faster onboarding.
- Designed and delivered a 2-day frontend fundamentals workshop with 95% positive feedback from attendees.

Volunteer

NOV 2023 - NOV 2023

- Assisted in organizing tech events and maintaining operational facilities, supporting over 50 participants.

Aleph

Digital Ad Expert

Digital Ad Marketing Intern

SEPT 2025 - NOV 2025

- Completed an in-depth digital advertising course, developing expertise in social media marketing and platform-specific ad strategies.
- Gained hands-on experience managing and optimizing campaigns across platforms such as Meta, LinkedIn, TikTok, Snapchat, Google, and X.
- Learned to create targeted audiences, customer personas, and effective sales funnels to maximize campaign performance.
- Developed skills in data analysis, KPI tracking, and dashboard reporting to measure and improve advertising results.
- Acquired knowledge of UX design principles, mobile-first strategies, and A/B testing to enhance ad effectiveness.
- Enhanced professional abilities in strategic planning, goal setting, and personal branding within the digital marketing landscape.
- Prepared to support digital marketing teams with practical skills in campaign management, performance analysis, and audience targeting.

Projects

AI-Assisted Portfolio Website (Self-initiated)

Used Claude Code to scaffold, write, and refactor a fully responsive personal portfolio in 60% less time than manual coding.

Translated wireframes from Figma into production-ready HTML/CSS/JS. Implemented SEO meta tags and performance optimizations, achieving a 90+ Lighthouse score.

- Claude Code
- Figma
- HTML
- CSS
- JS

SaaS Dashboard Concept

Designed low-fidelity wireframes in Figma and built an interactive prototype using Claude Code. Applied SaaS principles (user flows, subscription UI patterns) to a mock client dashboard.

- Figma
- Claude Code

Digital Advertising Skills Development (self-initiated)

Completed an intensive digital advertising training program, gaining expertise in social media marketing, campaign management, audience targeting, data analysis, and performance optimization. Developed a comprehensive understanding of platform-specific ad strategies, KPI tracking, UX design, and mobile-first advertising. Applied these skills through practical exercises, creating simulated campaigns and performance reports to enhance strategic thinking and digital marketing proficiency.

- Social Media Advertising (Meta, LinkedIn, TikTok, Snapchat, Google, X)
- Campaign Management & Optimization
- Audience Targeting & Buyer Personas
- Funnel Creation & KPI Tracking
- Data Analysis & Dashboard Reporting
- Performance Metrics & A/B Testing
- UX Design & Mobile-First Strategy
- Media Planning & Performance Advertising
- Excel Data Management
- Strategic Goal Setting
- Personal Branding & Networking
